- Your charity would keep 100% of the proceeds from the live auction

Silent Auctions (we offer two different options):

Direct Purchase

- Direct Purchase is our Best and Most popular choice, it has the potential to earn your foundation the most.
- The person would donate \$99 to your event for a \$500.00 Gift Card
- Your charity would keep the entire \$99.00 proceeds
- We would provide up to 12 of these depending on your needs

Silent Auction

- Four \$500.00 Gift Card, includes \$250.00 towards sitting and another \$250.00 towards portraits

Raffle

- Raffle gift cards start at \$500.00 and go up to \$1000.00. We suggest that they are sold at \$10. Or 3/\$25. But that is left up to your regression.
- We will also print and provide the Raffle tickets for your event.

100% of all proceeds collected go directly to your organization. The only thing we ask of your organization is to please provide us with the recipients contact info.

Live Auction is the best option, however if you are not having a Live auction I would highly suggest the Direct Purchase. The Direct Purchase option has been very successful at other events!!!!

Please let me know which of the above options you are interested in. If you would to take advantage of more than one option we can accommodate that as well. Feel free to call or email me any questions you may have.

Thank you
